Detroit Lakes MN 56501

Status: Active

Description:

Designed for comfort and convenience, this beautifully crafted residence offers 2,260 square feet of thoughtfully planned living space, all on one level. With three bedrooms and three bathrooms, the layout creates a natural flow for everyday living while still providing quiet areas for work, relaxation, or guests.

The spacious owner's retreat features a private bath and generous closet space, creating a comfortable place to unwind at the end of the day. The kitchen is equipped with extensive cabinetry and a casual dining area, making meal preparation and gathering with family or friends a breeze.

A dedicated office provides flexibility for remote work, hobbies, or a reading room. Natural light fills the home through strategically placed skylights, while custom window treatments add style and privacy throughout. Enjoy peaceful mornings or evening get-togethers on the covered patio surrounded by mature shade.

Additional features include in-floor heating, forced-air heating and cooling, an underground sprinkler system, and the quality craftsmanship expected in a custom-built home. Located in the desirable Lake Forest neighborhood, this property offers the ease of single-level living without sacrificing space or functionality.
