**Description:**

Tucked onto nearly 250' of shoreline on Lake Jessie, one of the Alexandria Chain's quiet gems, this spacious log-style home opens the entire chain to you—boat straight out to the Chain of Lakes. The big-ticket items are already handled. A new metal roof and rebuilt decking mean your weekends go to the water, not the to-do list. Outside, you get a sandy beach, landscaped grounds kept green by a lake-fed sprinkler system, and the kind of storage that's hard to find: a 4-stall garage, lawn sheds, and the "Garbin"—a fully finished 1,200 sq ft bunkhouse with its own 2-stall garage/shop (not included in the home's square footage). Inside, an open floor plan pulls the lake into the living, dining, and kitchen spaces. The primary suite is a retreat of its own, with a large walk-in shower, walk-in closet, and a built-in reading nook. Downstairs, the walkout lower level adds a standout bar and a generous family room made for a crowd. All of it minutes from Alexandria's new high school and everything in town. Come write the lake-life chapter you've been waiting for.
