Description:

100 Feet on McKeown Lake! Create your Northwoods getaway on this beautiful wooded lakefront property in Hackensack, Minnesota. With approximately 100.5 feet of shoreline, a recent survey, and an identified building site, this property is ready for your vision. The elevated building area offers beautiful lake views while maintaining easy access to the shoreline. No wetlands were identified on the survey, and road access is already available, providing an excellent opportunity to build your year-round home or seasonal retreat. McKeown Lake also offers water access to the highly desirable Man Lake, with access for many boats depending on bridge clearance and boat configuration. Spend your days fishing, kayaking, boating, swimming, or simply taking in the beauty of northern Minnesota from your own piece of the Northwoods.
