Description:

Set on a spacious corner lot, this well-built concrete home with a classic brick exterior offers lasting quality and timeless appeal. From the moment you step inside, you'll notice the bright front living room where natural light fills the space and a brick fireplace creates a warm, welcoming focal point. All three bedrooms are conveniently located on the main level, making everyday living simple and comfortable. The lower level adds even more room to spread out with a spacious family room and an abundance of storage for seasonal items, hobbies, and more. Outside, enjoy a backyard patio that's ready for relaxing or entertaining, along with the convenience of both an attached garage and an additional detached garage for extra vehicles, workshop space, or storage. A brick paver driveway adds to the home's distinctive curb appeal, creating a memorable first impression. A home with this kind of construction and character doesn't come along often.
