**Description:**

Location, location, location. Tucked away just minutes from the world-renowned Cuyuna Lakes Mountain Bike Trails, the charming downtowns of Crosby and Deerwood, and only 15 minutes from Brainerd's shopping and amenities, this 4 bedroom 2 bathroom property delivers the perfect balance of adventure and seclusion. Set on 7 private acres with sweeping panoramic views of field and forest, you'll enjoy the peace and quiet of country living without sacrificing convenience. Summer days are best spent on the deck or gathered around the bonfire, soaking in the natural beauty that surrounds you. Inside, the "up north" charm is unmistakable — custom log accents, tongue-and-groove finishes, and knotty pine doors create a warm, cabin-like atmosphere throughout. The heart of the home is built for entertaining, featuring a full-service bar with a finished white pine slab bar top and backsplash, complemented by custom reclaimed barnwood cabinets. The main living area, kitchen, and bath showcase beautiful rustic alder cabinetry with abundant storage. The primary suite offers a spacious walk-in closet — the perfect spot to start each day. Includes a 32' x 32' two-stall detached garage with a finished, heated "man-cave" — ideal for projects, hobbies, or simply unwinding after a day on the trails. If you're looking for a private up-north escape with character, craftsmanship, and an unbeatable location, this is it.
