Description:

One of the larger homes in Bemidji's desirable St. Onge neighborhood, this 4-bedroom, 3-bathroom home offers over 3,600 square feet of living space on approximately 2 private acres, all within the city limits, a rare find. Surrounded by mature trees, a large level front yard, a private backyard, and in a quiet setting, this property has endless opportunities for entertaining, recreation, and everyday living. Entering from the heated triple-stall garage is a spacious mudroom with generous storage before stepping into the heart of the home, the kitchen, dining area, and foyer into the inviting living room, highlighted by vaulted ceilings and a cozy natural gas fireplace. A dedicated office with a custom chalkboard wall provides the perfect space for working from home, homeschooling, or creative projects. The main level features three bedrooms, including a spacious primary suite complete with a soaking tub, dual vanities, walk-in closet, and separate shower. The fully finished walkout lower level continues the home's spacious feel with a large family room, theater wall, recreation space, and a fourth bedroom, full bathroom, and laundry area—making it ideal for guests, entertaining, or multigenerational living. Step outside to your own private retreat featuring a six-person saltwater hot tub, above-ground pool, fenced garden area, and mature landscaping. An additional storage shed provides convenient space for lawn equipment, tools, ect. Located just minutes from schools, shopping, medical facilities, and miles of walking trails.
