Description:

Rare lakeshore legacy property offering unmatched privacy and premium water quality on one of Minnesota's premier walleye fisheries. This pristine 4-acre estate boasts 300 feet of perfect, hard-packed sand bottom shoreline, ideal for swimming, and is heavily wooded with mature trees to provide excellent privacy from neighbors and a completely secluded, "fly-in Canada" feel. The lake features miles of undeveloped National Forest shoreline, ensuring beautifully low boating and fishing pressure while keeping your views entirely natural. Whether you are looking to build a private, ultra-private family compound or take advantage of the rare opportunity to subdivide the acreage, this pristine Northwoods escape offers incredible versatility and the elite sand beach you've been searching for.
