Description:

Escape to your own slice of the Northwoods with this 19.42-acre recreational parcel in Crow Wing County near Hardy Lake and Pillager. If you've been searching for an affordable hunting retreat, weekend getaway, or private piece of land to enjoy the outdoors, this property deserves a look.

The heavily wooded acreage provides excellent habitat for wildlife and offers the privacy every outdoorsman appreciates. Whether you're setting up a deer stand, exploring the woods, or simply enjoying the peace and quiet, this property is well suited for recreational use.

While the parcel presents challenges for building due to its terrain and conditions, it may still be possible with the proper planning, engineering, and permitting. Buyers seeking a future cabin site are encouraged to conduct their own due diligence. As it stands today, this property shines as a hunting and recreational getaway rather than a traditional homesite.

Located just minutes from Hardy Lake and within easy reach of Pillager, you'll enjoy convenient access to fishing, boating, ATV trails, and all the outdoor recreation the Brainerd Lakes area is known for. Bring your camper, spend the weekends in the woods, and start making memories on your own private hunting property.

A rare opportunity to own nearly 20 acres in a highly desirable recreational area at an attractive price. Don't miss your chance to own your own piece of Minnesota's great outdoors.
