Status: Active

Description:

This beautifully updated rambler offers spacious, comfortable living and is designed to meet a variety of needs. Featuring three bedrooms on the same level and large bathrooms on each level, it provides both convenience and functionality. Situated on a quiet street that is only 1 block long and sitting on a generous 0.3+ acre in-town lot, the home boasts a large family room with a fireplace that is perfect for gatherings, movie nights, or relaxing with family and friends. A versatile storage or hobby room offers endless possibilities—ideal for crafts, exercise room, a workshop, or even a bedroom with a little TLC. This basement presents the opportunity to add a fourth and 5th bedroom with the installation of a couple of egress windows. The kitchen is both stylish and practical, featuring modern stainless-steel appliances and a peninsula that provides extra seating. A unique live edge wood countertop is lovely a design focus. Step out the patio doors to enjoy the expansive backyard, whether you're gardening, entertaining, or simply unwinding on the back deck. With quality updates, flexible living spaces, and room to grow, this home is truly a must-see.
