This property offers a great blend of space and convenience—just 15 minutes from Alexandria and surrounded by some of the area's best recreational lakes. The 3-bedroom, 1-bath home provides a great opportunity for a buyer looking to add their own personal touch and bring new life to a solid country property. With some updating and improvements, this home could become your peaceful residence, weekend retreat, or investment opportunity. A standout feature is the large 30' x 40' detached shed with three garage doors, providing plenty of room for vehicles, storage, hobbies, equipment, or a workshop. Approximately one acre of the property was previously used as a large garden area, making this an ideal setup for someone interested in a hobby farm, chickens, gardening, or enjoying a more self-sufficient lifestyle. The property also offers exciting future potential, with the possibility of being split into two separate lots (buyer to verify with local authorities), allowing the next owner the option to sell an additional lot while keeping the home and remaining acreage.
