Description:

Welcome to 1002 Cedar Street, a home filled with warmth, character, and the timeless feel that makes Cedar Street so special. Situated on a corner lot in one of Alexandria's most well-known neighborhoods, this 4-bedroom, 2-bath home has been thoughtfully maintained and cared for over the years. Inside, the original hardwood floors are in beautiful condition, while the granite fireplace creates a cozy focal point and the perfect place to gather. The spacious addition offers a comfortable size family room and upstairs you will find a large primary bedroom with a huge walk in closet. With newer windows, siding, furnace, central air, and kitchen cabinets, many of the major updates have already been completed. The lower level offers even more potential, with room for two additional bedrooms or another living area.
