Property Description:

19417 County Highway 29 in Detroit Lakes, MN is a private 8.2-acre hobby farm and horse property featuring a 3-bedroom, 2-bath home with 2,884 finished square feet, an oversized heated 2-stall garage, multiple pole buildings, a finished heated shop, horse stable, corral, outdoor arena, storage buildings, and abundant space for animals, equipment, hobbies, or recreational vehicles. This versatile Detroit Lakes farm and acreage property is an excellent fit for buyers searching for a hobby farm, horse property, rural home, country retreat, acreage with a corral, heated workshop, pole building, or property with multiple outbuildings and storage.

Surrounded by nature and offering exceptional privacy, the home provides a comfortable and functional layout with space to spread out both indoors and outdoors. The spacious main-level primary suite includes a walk-in closet, sitting area, and access to a private 306 sq. ft.

deck overlooking the peaceful surroundings. The main living area features a striking stone gas fireplace, vaulted ceilings, warm natural woodwork, and an adjoining sitting area that creates an inviting space for relaxing or entertaining.The main level also offers a dedicated office or craft room, generous dining area, eat-in kitchen with appliances included, main-floor laundry, French doors, ceiling fans, walk-in closets, and a combination of tile, hardwood, and carpet flooring.

Accessibility features include an aluminum accessibility walkway and wheelchair ramp access.The finished lower level adds two additional bedrooms, a bathroom, and a comfortable family room, giving you flexible space for family, overnight guests, hobbies, recreation, or a second living area.For anyone looking for substantial garage, workshop, or storage space, this property stands out.

The oversized finished and heated tuck-under 2-stall garage includes concrete floors, electricity, garage door openers, and generous room for vehicles and storage.The acreage also includes an impressive collection of outbuildings. An approximately 30' x 72' pole building offers seven individual storage bays, including one bay with a concrete floor.

A separate approximately 24' x 30' finished and heated shop provides excellent space for woodworking, mechanical projects, equipment repair, business use, or year-round hobbies. Additional structures include a 13' x 32' pole building, lean-to, chicken coop or barn, storage sheds, horse stable, corral, and outdoor arena.Horse owners will appreciate the stable and corral designed to accommodate up to two horses, while the open acreage provides the space and flexibility that can be difficult to find closer to town.

The property's private marsh attracts wildlife and adds another layer of natural beauty and seclusion, creating a peaceful setting for anyone who enjoys wildlife watching, outdoor recreation, or quiet country living.Additional property features include central air, forced-air heat, fireplace heating, 200+ amp electrical service, a private well, and a new septic system installed in 2023.Located just outside Detroit Lakes with convenient access from State Highway 34 and County Highway 29, this property combines rural privacy with access to the shopping, dining, recreation, lakes, and amenities of the Detroit Lakes area.

Whether you're looking for a Detroit Lakes hobby farm, horse property with a corral, acreage with a heated shop, home with multiple pole buildings, country property with storage, workshop space, or simply a peaceful 8.2-acre retreat with room to spread out, 19417 County Highway 29 offers an uncommon combination of privacy, usable buildings, flexible living space, and country lifestyle. Schedule your private showing and discover everything this unique Becker County property has to offer.
