Description:

Escape to the privacy of country living with this secluded 3-bedroom, 2-bath one-level home nestled on 8.2 scenic acres. Designed for comfortable living and surrounded by nature, this property offers the peace and space you've been looking for. The spacious main level features a large primary suite complete with a walk-in closet, sitting area, private 306 sq. ft. deck, and The inviting living room showcases a beautiful stone gas fired fireplace, soaring vaulted ceilings, an adjoining sitting area perfect for relaxing, and an aluminum accessibility walkway. You'll also appreciate the dedicated office or craft room, generous dining area, eat-in kitchen with appliances included, main-floor laundry, natural woodwork, French doors, ceiling fans, walk-in closets, and a blend of tile, hardwood, and carpet flooring throughout. The finished lower level offers two additional bedrooms, 1 bath, and a comfortable family room, providing plenty of space for family and guests. Car enthusiasts and hobbyists will appreciate the oversized finished and heated tuck-under two-stall garage featuring garage door openers, concrete floors, electricity, and abundant storage space. Outside, the property is equally impressive with numerous outbuildings, including an approximately 30' x 72' pole building featuring seven individual storage bays (one with a concrete floor), a 24' x 30' finished and heated shop, a 13' x 32' pole building, lean-to, horse stable building with corral accommodating up to two horses, and your own private marsh that attracts wildlife and enhances the property's natural beauty. Additional features include a private well and a new septic system installed in 2023. Whether you're looking for a hobby farm, horse property, workshop space, or simply a peaceful country retreat, this unique property offers exceptional versatility and endless possibilities. Schedule your private showing today and experience everything this remarkable acreage has to offer.
