Description:

Space, Comfort & a Great Location! Welcome to this spacious 5-bedroom, 2-bath home offering approximately 2,800 finished square feet of living space in the heart of Hawley! Located just steps from a neighborhood park, this home offers plenty of space. The open kitchen is the heart of the home, featuring generous cabinets, a wall oven and an island cooktop with an easy flow into the dining area. Just off the kitchen, a cozy sitting area with a patio door opens to the backyard patio and deck creating the perfect space to enjoy your morning coffee, summer BBQs, or relax after a long day. The large main-floor primary bedroom offers a comfortable retreat with plenty of space to unwind along with a jetted tub for relaxation. The large main-floor family room is the big bonus, a perfect gathering space for movie nights, game days, and entertaining, including radiant in-floor heat along with the bonus of a mini-split heating and cooling system, providing year-round comfort in every season. With 2 bedrooms on the main level and 3 additional bedrooms downstairs, there's room for everyone while offering flexibility for guests, a home office, or workout room. You'll also enjoy great updates, including a newer furnace and central air, giving you added peace of mind and value from day one. Schedule your private showing today!
