Situated on 333 feet of shoreline and 4.6 acres across three parcels, this property is designed for making unforgettable memories with family and friends. The highlight of the property is the brand-new 2026 barndominium, thoughtfully designed for easy lake living. Offering 2 bedrooms, 2 bathrooms, soaring 10-foot ceilings, and an impressive oversized shop with a 12' x 12' overhead door, there's plenty of room for your vehicles, boats, ATVs, and all the gear that comes with enjoying life on Ten Mile Lake. The building is roughed in for two-zone in-floor heat, features heat pumps throughout the finished living area, and offers the flexibility to use year-round. A picturesque boardwalk leads to the water's edge, where the dock can remain in year-round, making it easy to get out on the lake whenever the mood strikes. Need space for guests? You will love the beautifully renovated lakefront cottage with 2 bedrooms, 1 bathroom, a stunning new kitchen and bath, mini-split heating and cooling, and a warm tongue-and-groove pine sunroom where morning coffee comes with breathtaking lake views. The third parcel, conveniently located along the Paul Bunyan State Trail, provides additional storage space for boats, trailers, campers, and all the toys that come with an active lake lifestyle. Whether you're spending the day swimming in the crystal-clear waters of Ten Mile Lake, casting a line for trophy fish, cruising the lake at sunset, gathering around the campfire, or hosting family reunions that everyone will remember for years, this property offers the space and flexibility to do it all. Each home features its own well, septic system, 200-amp electrical service, and separate utilities, providing convenience and flexibility for family, guests, or rental opportunities.
