Description:

Good quality lake homes on nice recreational lakes are tough to find in this price range. If you are looking for lake place with a lot of space and does not need any work, please check out this Hill Lake beauty. Hard bottom shoreline and good depth for swimming, excellent fishing of multiple species, and a manicured lawn with quality storage buildings make for a spectacular outdoor setting and recreational ease. The home is spacious with open and well-lit living areas up and down. The interior and exterior are flawless, so there will be no need for a lot of remodeling like so many other lake homes. An insulated and heated garage adds to the package. Just twenty minutes south of Grand Rapids and a half mile from Highway 169, you will have plenty of shopping, medical and entertainment opportunities in the area, and easy access to the Twin Cities.
