Description:

Enjoy the space and privacy of nearly five wooded acres just north of Grand Rapids. The property features trails through the woods, plenty of room for outdoor activities, a fenced garden area, blueberries and an abundance of wildlife. This well cared for four-bedroom home offers a functional floor plan and decks for outdoor living. The partially finished lower-level features natural tongue and groove paneling and included the fourth bedroom with two egress windows that provide plenty of sunlight. The home has been well maintained including vinyl siding, updated windows and a roof that is approximately four years old. There is an attached garage as well as a shop with a wood stove out back. Located close to many desirable lakes. Just north of town, this property offers the privacy and space of country living while still being a convenient distance from town.
