Rarely does a property offer this much lake, land, space, privacy, and flexibility—all in one incredible package! Welcome to your own private retreat on Red Sand Lake in Central Minnesota, where 7 picturesque acres, 435' of sandy lakeshore, and panoramic water views create an extraordinary setting for lake living. Tucked near the end of a private dead-end road, this expansive 5-bedroom, 6-bath home offers peaceful surroundings, abundant wildlife, exceptional fishing and boating, and the feeling of being away from it all - yet just minutes from shopping, schools, healthcare, parks, and walking trails. Built in 2004, with a significant 2017 addition that nearly doubled the living space, this home offers room for family, friends, entertaining, and overnight guests. Features include 3 potential primary suites, 2 family rooms, multiple gathering spaces, and a finished lower level with its own access and kitchen - ideal for guests, multigenerational living, recreation, or a second living space. Wall-to-wall lakeside windows capture breathtaking panoramic views, while the wraparound deck provides the perfect place to relax or entertain. **The custom Irish-inspired pub is a one-of-a-kind gathering space! Outside, enjoy extensive landscaping, a sandy beach, floating dock, hot tub, and firepit, with plenty of opportunities for fishing, boating, wildlife watching, and enjoying every season. 5 garage stalls provide exceptional space for vehicles, boats, toys, and storage. The 2nd parcel adds even more possibilities - build a second home, guest accommodations, or your dream pole building, or simply enjoy the extra room to roam.
