Description:

Blind Lake – This “ain’t” the Ponderosa and it sure “ain’t” Lake Tahoe but it’s as close as you are going to get in Minnesota! Headquarters for the “Blind Lake Cattle Company”, this sprawling walk out lake home is situated on 70 heavily wooded acres and a quarter mile of frontage on historic Blind Lake! The home design/décor is a page out of “Country Living” magazine with a flair for the eclectic. There is a 2BR/1BA mother-in-laws year round cabin and a unique double container unit garage that will exceed your storage requirement. There are miles of mowed trails leading to permanent “high producing” deer stands and the fishing on Blind Lake is exceptional for panfish and monster northerns! Privacy is utmost in this pastoral lake country estate. Access to the Aspen trail provides clear sailing for snowmobiling and 4-wheeling all of the way to Hill City and Grand Rapids recreational areas. Landscaping around the home’s fair-way style lawn will provide hours of enjoyment for the resident horticulturalist. So “saddle up” to take a tour...you won’t want to leave!
