3,378 sq ft
4 bedrooms
4 baths

46726 County Road 133
Deer River MN 56636

Waterfront: Little Jessie

Status: Active

Description:

Experience peaceful Northwoods lake living on Little Jessie Lake known for its quiet atmosphere, abundant wildlife, and great fishing, with over 600 acres of water and depths reaching 50 feet. You're minutes from some of the region's premier fishing lakes, including Lake Winnibigoshish and the Bowstring Chain. Set on 20 wooded acres with 673 feet of lakeshore, this 4 bedroom, 4 bath home plus a 1,600 sq. ft. heated workshop offers privacy, room to roam, and true year round living. Easy access to multiple recreational trails puts the whole Northwoods playground at your doorstep, or simply enjoy nature and solitude. This home offers one level living, built to last with no entry stairs, main floor laundry, and a spacious primary suite with a walk-in closet, jetted tub, and separate shower. Warm, radiant in-floor heat runs throughout the bathrooms, lower level, and the attached garage so cold Northwoods mornings are never a concern. A backup generator powers both the house and workshop, ensuring peace of mind through any season. The open floor plan is bright and airy, with vaulted pine ceilings, oak hardwood floors and woodwork, central air, and two fireplaces (one gas, one wood burning) for extra ambiance on cool evenings. The kitchen offers abundant counter space and center island with a raised breakfast bar is a natural gathering spot for guests. Step out onto the wraparound deck for coffee and sunrise views over the lake. The home itself offers abundant storage throughout, beyond the attached garage and heated workshop. A newly remodeled lower level adds a wet bar and even more living and entertaining space. A separate 35x45 workshop with its own in-floor heat and oversized doors handles boats, recreational equipment and projects with room to spare. The attached finished garage includes a half bath perfect for a quick cleanup after fishing, hunting, or a day outdoors. A zoned lake-water irrigation system keeps the grounds and landscaping low-maintenance. With 20 acres, over 600 acres of water, exceptional shop and garage space, with access to multiple snowmobile and ATV/UTV trails and four-season comfort—this is the kind of turnkey Northwoods retreat that's genuinely hard to find.
