Inside, you'll find fresh updates including a newer kitchen, brand new LVP flooring throughout, new water softener, new tankless water heater, new water reserve, and new shower in the bathroom. Enjoy the flat yard, perfect for games or a bonfire, or just relax on the covered patio and take in the serene water views. Accommodate extra guests in the newer bunkhouse, which is connected to electrical and has a built-in bunk bed. The dock is also included, so you're ready to make the most of lake season. Lake Osakis is known for recreational boating and excellent year-round fishing, featuring bass, walleye, northern pike, perch, etc. While water levels along this shoreline are lower than usual this year due to dry conditions, there's still plenty to love about this incredible lake setting. Just minutes from the Osakis community with convenient access to shopping, dining, and entertainment. A perfect year round getaway ready for its next owners! **Prior to last year, the property was also rented out on VRBO when the owners weren't using it, to generate extra income!
