13062 230th Street
Park Rapids MN 56470

Status: Coming Soon

Description:

The combination here is unusually hard to reproduce: 80 contiguous wooded acres + established trails + mature timber + a substantial lodge-style residence + garage space + dead-end-road privacy + township-maintained access + less than 10 minutes from Park Rapids. The ideal buyer is probably a financially comfortable hunter/outdoors person from the Twin Cities, Fargo/Moorhead, St. Cloud or surrounding lakes region who wants a property the whole family can use. Deer hunting is the obvious hook, but bear hunting, horseback riding, hiking, ATV/UTV use, trail riding, wildlife watching, timber ownership and family retreat use make the buyer pool considerably larger.
