Description:

Split-Level with Multi-Generational Potential and a Handyman’s Dream Shop - Welcome home to this well-located split-level in a quiet neighborhood, offering versatility, comfort andplenty of space for hobbies and projects. The 2-bedroom, 2-bath home features a thoughtful layout with a second kitchen in the lower level, making it an excellent option for multi-generational living, extended family, guests or added living flexibility.The main level offers comfortable living spaces, while the lower level provides additional room to spread out with its own kitchen and bathroom. The possibilities are endless for creating a private living area, guest suite or family space. The property also delivers for the hobbyist or handyman. A double attached garage provides convenient everyday parking and storage, while the separate shop with lean-to adds an incredible bonus. The shop includes an insulated room, perfect for a workshop, office, hobby space or dedicated area for the handyman in the family. Situated in a peaceful setting while remaining close to local amenities, this property combines convenience with functionality. Whether you're looking for a home with room for family, a property that can accommodate multiple generations or a place with outstanding workshop space, this one is worth a look!Features include:*2 bedrooms*2 bathrooms*Split-level floor plan*Second kitchen in lower level*Excellent multi-generational living potential*Double attached garage*Separate shop with lean-to*Insulated room in shop*Quiet in-town location*Plenty of storage and workspace*Ideal for hobbyists, handymen, or extended family livingA versatile property with space for living, space for family and space to work!
