Description:

Refined Lakeside Living on Big Pelican Lake Walk-out Craftsman-style home on a mature, treed lot in the highly sought-after Provan Beach neighborhood - one of Otter Tail County's most coveted stretches of shoreline. This residence features bright, open lakeside living, main floor living with a stacked-stone gas fireplace, sunroom, private office, convenient utility entry, and generous walk-in closets. A three-season porch just off the kitchen and dining area frames sweeping lake views, while transomed Anderson windows in every room flood the home with natural light. A professionally installed epoxy garage floor extends the clean, finished feel of the interior outdoors. Outside, enjoy a hard-sand-bottom beach, maintenance-free deck, and front porch overlooking the expansive yard and a meadow. A pristine paver patio and walkway lead to a new dock. Mature maples, young pines, lilacs, and flowering Ivory Silk and Red Splendor trees frame the property, complemented by extensive perennial gardens that deliver color throughout the seasons. An underground Rain Bird irrigation system keeps the grounds lush. Facing west, spectacular evening sunsets paint the water in vivid hues. Pelican Lake is the true luxury here. Renowned throughout west-central Minnesota for its clear water, excellent fishing, and swimming, this is a place where families return year after year. The setting strikes the perfect balance: peaceful and private on a quiet cul-de-sac, yet only minutes from Detroit Lakes and an easy commute to the Fargo-Moorhead metro for work, dining, and culture. This is more than a lake home - it is a rare opportunity to own an upscale, move-in-ready residence in one of Otter Tail County's most desirable neighborhoods.
