Description:

A beautifully renovated lakefront cottage on a calm, quiet bay of Ten Mile Lake, turn-key and ready for new memories. Inside, this 2-bed, 1-bath retreat has been refreshed throughout: a bright kitchen with striking "Mountain Dew" blue cabinetry and a fresh backsplash, an updated bath with a lighted mirror and framed glass shower, and easy-care luxury vinyl plank flooring. The showpiece is a tongue-and-groove pine sunroom wrapped in windows and lake views making it the perfect spot for morning coffee, then opens out to an elevated deck and a hardtop gazebo made for dining and sunsets over the water. Comfortable in every season with a furnace and mini-split heating and cooling, the cottage sits on 1.1 acres with its own frontage on the bay, with room to add a boardwalk down to the water's edge if you'd like. Tucked into mature trees along the Paul Bunyan Trail corridor, with its own well and newer septic (2021) and new 200a electrical service, and just minutes from Hackensack. Next door, a brand-new 2026 barndominium at 4707 Red Pine Dr NW features an oversized shop, a boardwalk to the water, and a trail-side back lot - is available separately (MLS #7130356 · \$470,000). Combine the two for a rare family compound or enjoy the cottage all on its own. Quick facts: 2 bd / 1 ba · fully renovated · own lake frontage (boardwalk-ready) · pine sunroom w/ lake views · deck + gazebo · 1.1 acres · well/septic/200-amp.
