Waterfront: Ten Mile

Status: Active

Description:

Brand-new 2026 barndominium on a calm, quiet bay of Ten Mile Lake - one of Minnesota's deepest, clearest, spring-fed lakes. This 2-bed, 2-bath home lives bright and open under 10-ft ceilings, with a modern white kitchen (shaker cabinets, butcher-block counters, stainless appliances), luxury vinyl plank floors, warm pine trim, and efficient mini-split heating and cooling. In-home laundry and generous closets round out the living space, while the second bath and mechanical room sit just off the attached shop. The oversized shop is built for up-north life, with a 12-ft overhead door for the boat, ATVs, and all the toys; plus two-zone in-floor heat already roughed in, so you're set up to finish it for comfortable year-round use. Outside, a covered concrete patio invites slow summer evenings, and the parcel's own lakefrontage is served by a private boardwalk out across the meadow to the dock at the water's edge, and the dock is included. The pontoon boat is even negotiable, if still available when you tour. The sale spans 1.51 acres and includes a separate 2.12-acre back lot on the Paul Bunyan State Trail - ideal for extra storage or trail access right out the door. Brand new well, septic, and 200-amp service, just minutes from Hackensack and Hwy 371. The adjoining, fully renovated lakefront cottage at 4717 Red Pine Dr NW is available separately (MLS 7130324 - \$330,000). Pair the two to own the entire original Ten Mile Lake compound or take just the one that fits. Quick facts: 2 bd / 2 ba · new 2026 build · lake frontage + private boardwalk · dock included, pontoon negotiable · oversized shop (12' door, two-zone in-floor heat roughed in) · 1.51 acres + 2.12-acre trail-side back lot · well/septic/200-amp.
