The real stone and stucco exterior sets the tone for the timeless charm found throughout. Inside, the home has been thoughtfully updated to honor its original character, featuring hard-to-find unpainted original woodwork, stunning built-ins, and coffered ceilings in both the living and dining rooms. The updated kitchen and main bath both feature in-floor heat, and the spacious four-season porch delivers panoramic lake views year-round. This 4-bedroom home offers main floor laundry, two bedrooms on the main level, and two additional bedrooms upstairs.
