Waterfront: Eagle Lake

Status: Active

Description:

Not many of these "Survivors" out there any more !! This primitive Cottage from the 40's or 50's has remained in the same family since construction and, in my opinion, has some life in it yet. Situated on a gorgeous west facing lakeshore building tract, just minutes from downtown Cross Lake. Gentle elevation down to the waterfront with decent sandy/rocky bottom that just needs use. The 6x16 Boat House still appears to be in decent shape.
