Description:

Want a little elbow room without being too far from town? This one has it all! Just under 11 acres, a 3 bedroom, 2 bath home with a great interior remodel, and just north of Bemidji. Need room for the toys? You're covered with a detached 2-stall heated and insulated garage plus a pole shed for even more storage. And if almost 11 acres isn't enough, the property borders state land to the south! Hunt, explore, have a garden, tinker in the garage, or just sit back and enjoy some peace and quiet. Country living, plenty of storage, state land out your back door, and Bemidji just down the road. Hard to find a property that checks this many boxes!
