Description:

Tucked amongst the trees and just a short walk to Wall Lake Public Access, this charming 2-bedroom, 1-bath home offers the peaceful feeling of a private retreat while being only 4 miles from Fergus Falls. Floor-to-ceiling windows and a cozy fireplace bring the beauty of the seasons indoors, while a charming built-in bed nook tucked into the cabinetry creates the perfect spot to curl up with a good book or take an afternoon nap. A mulched path brings you to a delightful little cabin, where a cozy loft offers a wonderful place to read, relax, welcome guests, or simply enjoy some quiet time surrounded by nature. Two bedrooms are located on the main level, with an additional lower-level finished sleeping area (has egress but not today's code) but offers flexible space for an office, hobby room, or additional sleeping area. Recent improvements include a new roof on both the home and cabin in 2025 and a new mound septic system installed in 2026 for septic compliance. A truly special property for those who love nature, convenience, and a home filled with character.
