Description:

Tucked near the end of a quiet dead-end road and surrounded by towering pines, this beautifully designed Sibley Lake home feels like a true retreat from the moment you arrive. Inside, the craftsmanship and architectural detail immediately set it apart, with soaring vaulted ceilings finished in warm wood planking, rich wood trim, custom maple cabinetry and a floor-to-ceiling real stone gas fireplace. The spacious kitchen is made for gathering, featuring a large center island, abundant cabinetry and an open connection to the main living spaces. The main-level primary suite offers a private retreat with a spa-like bath, while two additional bedrooms, three total bathrooms and main-floor laundry make the layout as functional as it is beautiful. An attached heated garage adds even more flexibility with a large unfinished bonus room above—ready for additional living space, a game room, office or guest retreat. Set on 2.5 wooded acres with an incredible 329 feet of Sibley Lake shoreline, the outdoor setting is just as special, with extensive landscaping, mature trees and plenty of space to relax and enjoy life at the lake. Private, beautifully crafted and full of character, this is the kind of lake home that feels special the second you arrive.
