Description:

Set along nearly 100 feet of level, west-facing shoreline on Ten Mile Lake, this year-round home and guest cabin offer a setting designed for long summer days, evenings by the water and beautiful sunsets across the lake. The main home has a warm, comfortable lake-home feel with natural wood throughout, a spacious kitchen and dining area overlooking the water, a living room anchored by a full-wall split-stonewood-burning fireplace, two main-floor bedrooms and baths, and a large upper-level loft with additional sleeping space. Just steps away, the separate two-bedroom, one-bath guest cabin provides family and friends their own space while keeping everyone together at the lake. Outside, mature trees frame a broad, level lawn leading directly to the water, with no road to cross and an excellent sand-bottom shoreline. And the setting is Ten Mile Lake—approximately 5,000 acres of remarkably clear water, one of Minnesota's deepest natural lakes, and a lake known for its outstanding fishery and protected watershed. Furniture, appliances and docks are included, making it easy to settle in and enjoy one of northern Minnesota's most distinctive lakes from the start.
