Description:

Space, Privacy & Garage Galore! This well-maintained 3 bedroom, 2 bath single-level home offers the perfect combination of comfortable living and incredible storage/workshop space, all set on 3.7 acres! Inside, you'll find convenient one-level living with a spacious primary suite featuring a large private bath and an oversized walk-in closet. The home offers plenty of room for family and guests while providing the ease and functionality of a single-level floor plan. Outside is where this property truly shines! The fenced backyard provides a great space for pets, children, gardening, or simply enjoying the outdoors. And for those needing room for vehicles, toys, hobbies, or a home business, you'll love the three garage areas, offering over 3,000 square feet of total garage space. Two of the garage areas are heated, making them ideal for year-round projects, workshops, storage, or recreational equipment. Set on a generous 3.7-acre parcel, this property offers plenty of privacy and room to spread out while still providing all the comforts of home. If you've been searching for a property with acreage, single-level living, a great primary suite, and an exceptional amount of garage space, this one deserves a look!
