Description:

Welcome to your own slice of northern Minnesota paradise on beautiful Moose Lake. Tucked away at the end of a quiet dead-end gravel road, this recently updated 3-bedroom, 2-bath home offers the privacy, peace, and waterfront lifestyle you've been dreaming of. Inside, you'll find a warm and inviting home that's move-in ready, with thoughtful updates that allow you to simply unpack and start making memories. Whether you're enjoying coffee overlooking the lake, gathering with family after a day on the water, or watching the sunset from your own shoreline, this property was built for living the lake life. Outside, a stunning Craftsman-style 3-stall garage with an upper loft provides exceptional space for vehicles, boats, hobbies, or future expansion. The dock and boat lift are included, so your next fishing trip begins the day you move in. If the lake isn't enough, you'll love having hundreds of acres of adjoining state and federal land just across the road, offering endless opportunities for hunting, hiking, ATV riding, snowmobiling, wildlife watching, and year-round outdoor recreation. This isn't just a home—it's a lifestyle. Trade the traffic for tranquility, the noise for loons calling across the water, and the daily rush for evenings around the campfire. The only regret you'll have is not making the move sooner. Schedule your private showing today and discover why Moose Lake is one of northern Minnesota's best-kept secrets.
