Description:

One-of-a-kind pristine quiet getaway on Birch Lake a small private lake (part of the enchanted Lakes Cluster) in Randall, MN — across the road from Overlook Lake. Tucked away in a peaceful northwoods setting, this turn-key cabin offers the rare combination of seclusion and modern convenience. Stamped concrete patios and walkways, large rock landscaping, and a pond out front create an inviting, low-maintenance outdoor space that feels established and private. Fiber-optic internet makes it an ideal year-round retreat for remote workers who want to unplug from the city without losing connectivity. The cabin is sold fully turn-key. It is a dry cabin with no septic system; the water system is self-contained inside the cabin. Freshwater tanks supply modern sinks and faucets in both the kitchen and half bath. The half bath features a vented Airhead composting toilet. Kitchen and bathroom sit on outside walls, so future owners have a straightforward path to add conventional plumbing if desired. This is a quiet, one-of-a-kind property that rewards an in-person visit! See supplements for complete details!
