Description:

FRESH, NEW & EASY TO LOVE!! If stairs aren't on your wish list, you're going to love this one! Located in one of the area's newest developments, this brand-new 2026 home was designed to make everyday living simple, comfortable, and stylish. Walk through the door and you'll immediately notice how light, open, and spacious it feels. Nine-foot ceilings add that extra "WOW," while the kitchen, dining, and living spaces come together in one welcoming gathering area. Cook dinner, visit with friends, watch the game—you can do it all without missing a thing! Three roomy bedrooms including a primary suite+ two baths give everyone their own space, and generous closets help keep life organized and clutter tucked away. Calling all garage lovers! The oversized, finished, temperature-controlled two-stall garage gives you more than a place to park. Bring the projects, hobbies, tools, toys—or just enjoy getting into a comfortable car on those chilly Minnesota mornings! And here's something you'll appreciate every single day...NOT. ONE. STEP. From the front door to the bedrooms, laundry and living areas, it's all conveniently on one level. It's a home that works beautifully for today while being smartly designed for tomorrow. Less climbing. More living. Now THAT sounds like home! Come see it for yourself—you may not want to leave!
