Description:

This 4-bedroom, 1-bathroom, 1.5-story home offers the space, land, and outbuildings you've been looking for, all set on a generous 6.84 acres near Deer Lake and just minutes from town. Inside, you'll find a huge living room with plenty of space to gather, along with a home that has seen many updates over the past several years. While the property could use some additional TLC, it offers an excellent opportunity to build on the work already completed and make it your own. Outside, the property really shines with room to roam, nearby trails, and multiple storage options. The detached 24x36 garage provides plenty of space for vehicles, hobbies, or equipment, while the additional Quonset building offers even more storage. Enjoy the privacy and possibilities of acreage while staying conveniently close to town, Deer Lake, and area recreation. SXS and riding lawn mower will be included as well. Bring your vision and make this property your next home, getaway, or investment opportunity!
