Description:

Welcome to peaceful country living just southwest of Hawley! This beautiful 5-bedroom, 3-bathroom home sits on 4 acres surrounded by expansive grassland, beautiful views and abundant wildlife—with no backyard neighbors. Even better, there are no special assessments to worry about. This property offers the space, privacy and tranquility that are hard to find while still being just minutes from town. The 4 acres provide plenty of room to enjoy the outdoors and could be a great fit for someone dreaming of having a couple of horses, chickens, goats or other animals. Whether you're a nature lover, outdoor enthusiast, hunter or simply someone looking for extra space and a quieter lifestyle, this property offers plenty of possibilities. Inside, you'll find thoughtful features and upgrades throughout. The beautiful kitchen is designed for both everyday living and entertaining and features an 8x4-foot island, quartz countertops, 36-inch cooktop with range hood, double oven and hidden walk-in pantry. The spacious two-story living room features a propane fireplace and soaring ceilings that create an impressive, open feel. The upper level offers 4 bedrooms plus an open loft overlooking the living room below. This versatile space could be the perfect kids' hangout, game area, art studio, music space, reading nook or creative space—the possibilities are endless. The home also includes a dedicated office, dual-zone heating and cooling. The Primary suite will be your primary getaway with an upgraded custom tile shower and a luxurious 72-inch soaking tub in the primary bathroom. The primary bedroom also offers a convenient walkout to the covered porch. Walk through your primary bathroom, through your walk in closet and into the laundry room for added convenience. Outdoor living is easy with covered front and rear porches and a maintenance-free deck, perfect for enjoying the peaceful surroundings and watching the wildlife. A propane hookup is ready for your grill, while a convenient hot-and-cold exterior water spigot is located in the garage. There is also a 220V hookup for a hot tub (hot tub not included). The oversized 3-stall garage features extended 30-foot stalls, providing plenty of room for vehicles, recreational toys, equipment and storage. Off-peak electric and propane provide additional heating options. The unfinished basement offers incredible potential and already has drywall available. Imagine adding 2 additional bedrooms, a full bathroom, family room, storage room and a huge bonus area that could become a game room, home theater, home gym, playroom or whatever best fits your lifestyle. The sky is the limit! Enjoy the privacy and tranquility of 4 acres while remaining just minutes from Hawley and approximately 25 minutes from Fargo/Moorhead. If you've been looking for space, privacy, wildlife, beautiful views and a home with room to grow, this property offers an incredible opportunity to create the country lifestyle you've been dreaming of.
