Status: Active

Description:

Across the street from the park and splash pad, this downtown Alexandria charmer sits on a fenced double lot — a rare blend of small-town location and room to spread out. Inside, the main floor features 2 bedrooms and a full bath with beautiful original hardwood floors throughout. A large bedroom upstairs adds flexible space for guests, a home office, or a private retreat. Parking and storage are covered with an attached 2-car garage connected by an enclosed breezeway — perfect for a mudroom, workshop, or extra storage. Head to the basement and you'll find even more potential: the egress window is already in place, so a 4th bedroom is just a closet away. Step outside to your fenced yard, or take a two-minute stroll across the street for the splash pad and all the energy of downtown Alexandria right at your doorstep.
