Property Description:

195' PICKEREL LAKE FRONTAGE & 1.76± WOODED ACRES! This one-of-a-kind 3-bedroom, 2-bath home on one of Becker County's most sought-after lakes, combines privacy, character and an incredible waterfront setting just 15 minutes from Detroit Lakes. Step inside and the craftsmanship immediately stands out.

Soaring vaulted wood ceilings, exposed beams and a dramatic floor-to-ceiling stone fireplace anchor the open living space, while reclaimed wood from the original cabin has been thoughtfully incorporated throughout the home, giving it warmth and history that simply can't be replicated. The kitchen features granite countertops, custom wood cabinetry and stainless-steel appliances, all opening to the main gathering spaces. In-floor heat on the main level, tiled showers in both bathrooms, a wood-burning fireplace and an upper-level family room add comfort and function, while the screened porch offers a front-row seat to the surrounding trees and lake views.

Outside, the setting is every bit as impressive. 195' of shoreline, with hard sand bottom, water clarity that would be hard to beat , mature trees, multiple outdoor gathering areas, fire pits, decks, patios and a gentle path to the lake create a property made for entertaining and slowing down. Spend mornings by the water, afternoons boating or fishing and evenings gathered around the fire beneath the trees.

A newer oversized insulated and heated garage provides exceptional space for vehicles, lake toys and storage galore above, another heated garage was converted to a rec space. The property also includes a storage shed with electricity, sprinkler system, exceptional landscaping, greenhouse and a designated camper area with 50-amp electrical service and water.Pickerel Lake is known for its deep water and exceptional clarity, making it a beautiful setting for swimming, fishing, boating and long days spent at the lake.

Private, peaceful and packed with character, this is more than a lake home, it's the kind of lake property people wait years to find.
