Description:

This spacious country home is ideally located between Park Rapids and Nevis, offering the privacy of 8.5 wooded acres while still providing convenient access to both communities. Located just off a tar road, the property is partly fenced and includes an older outbuilding, creating an appealing setting for those looking for hobby farm potential, room for animals, or simply more space to enjoy country living. With over 2,900 square feet of living space, the home features 4 bedrooms, 3 bathrooms, an office, main-floor laundry, and a welcoming front deck. The spacious living room is highlighted by a tongue-and-groove vaulted ceiling that adds warmth and character, while the kitchen and dining area open to a backyard deck overlooking the wooded property—a great spot for outdoor dining, entertaining, or simply relaxing and enjoying the surroundings. The primary bedroom includes a walk-in closet and convenient access to the spacious common bath featuring his-and-hers sinks, a jetted tub, and separate shower. The walkout lower level expands the living space with a family room, large bedroom or hobby room, bathroom, and storage room, providing plenty of flexibility for family, guests, hobbies, or additional workspace. Forced-air heating and central air conditioning provide year-round comfort. An attached, insulated 3-stall garage offers excellent space for vehicles and storage. Outside, a 32' x 18' steel storage building provides additional room for equipment, recreational toys, or lawn and garden supplies.
