Description:

A rare three-parcel opportunity on the protected waters of Long Bay on Ten Mile Lake, offered at $685,000. Double lake frontage, multiple living options, and plenty of room to enjoy lake life. Because there are two fully independent homes and short-term rentals are permitted, you can live in one and rent the other, letting the property help pay for itself. 4707 features an all-new 2026 64x42 barndominium with 900 sq ft of finished 2BR/2BA living space plus an oversized garage/shop large enough to accommodate an RV, and a level boardwalk to the lake with no steps to the water. 4717 is a recently renovated 860 sq ft 2BR/1BA cottage with beautiful lake views, a tongue-and-groove pine sunroom, and potential for a future walkout. The third parcel, along the Paul Bunyan Trail, provides buildable area and room for boats, trailers, campers, and recreational toys. Long Bay offers calmer, more usable water even when the wind picks up, in an area rich with eagles, loons, and a nearby loon sanctuary. Whether you want a lake getaway, rental income, storage for your toys, or land to grow into, the possibilities here are hard to find. Minutes from Hwy 371 and Hackensack. Seller will entertain offers to purchase parcels separately.
