Property Description:

Step back in time to experience the charm of a quintessential 1940s lake cabin. This warm and welcoming space simply makes you smile. Bursting with personality and nostalgic character, this well-kept seasonal cabin has been creatively updated to preserve the simple, carefree feel of classic lake living.

The main bedroom includes an overflow area for additional sleeping space, while the loft creates a cozy second bedroom. The classic character spills throughout the cabin and continues throughout the kitchen and living spaces. Just outside, a side patio leads to a separate bonus building ready to become whatever fits your creative vision.

Complimenting the charm are beautiful sunsets and 50 feet of level hard bottom lakeshore on Little Detroit. A detached garage brings additional value providing storage for lake toys and seasonal gear. The carefree property is full of character, and nostalgic charm, creating the perfect place where lake memories are meant to be made.
