Description:

Enjoy the ease of one-level living in this high-end patio home in an established Alexandria neighborhood. An open floor plan and vaulted ceilings give the main living space an airy feel, while a gas fireplace makes the family room a welcoming place to unwind. Step onto the rear patio for a quiet morning or an easy evening outdoors. The private backyard is a blank canvas for the garden, landscaping or outdoor retreat you've pictured, with an irrigation system already in place. Even the garage stands out with its high-end finished floor. Leave the stairs behind and spend more time doing what you love: a paved walking and biking path is nearby, and the public beach on Lake Le Homme Dieu is a short distance away. Head out for a swim, walk or ride, then come home to the privacy and comfort of your own space. Enjoy the Alexandria Lakes Area lifestyle with room to make this home your own.
