Description:

LITTLE THUNDER LAKESHORE GETAWAY! Imagine waking up to clear, deep waters and peaceful forest surroundings on Little Thunder Lake. Set on a private 1.11-acre wooded lot with 145 feet of shoreline, this 2-bedroom, 1-bathroom, 972-sq-ft year-round cabin (built in 1996) offers the ultimate Northwoods escape. Inside, warm natural woodwork and a rock wood-burning fireplace create a cozy retreat. Set atop the shoreline surrounded by lush summer canopy, you'll enjoy a private woodland feel in the warmer months and expansive westerly sunset views through the trees, opening up to clear lake vistas in the winter and early spring. Beyond the shoreline, thousands of acres of public land and trail networks sit right out your back door for top-tier hunting, ATV'ing, and snowmobiling. The property includes two storage sheds -- including one situated right near the water's edge to easily store boat supplies and water toys.
