Description:

Extremely rare 2+ acre lake lot with 300+/- feet of frontage on the north end of Long Lost Lake! The same folks have owned this property for 60+ years, where they stayed in the summer and had years of enjoyment! There is electricity on-site along with a well, septic, and three gates securing the property. In addition, there is a fifth wheel trailer (with 2 slide-outs), a storage shed, a storage trailer, a roll-in dock, a fishing boat, a paddle boat, and a pontoon/motor. Long Lost Lake is well known for its pristine water clarity, great fishing, and tranquil environment without all the boat and jet ski noise due to having a 10-mph speed limit on the lake. This is in the heart of the "Buckboards" (a/k/a White Earth State Forest), which offers 1000s of acres of remote public land with miles of trails and several lakes, plus Itasca Park is just down the road!
