Description:

What a great opportunity to own a piece on the ever-popular Camp Lake! This charming cabin sits on a private point with minimal through traffic. It's beautifully finished with a beautifully updated kitchen, a newer roof and siding, 200-amp service, and is essentially "turnkey" (the seller will provide a list of items to be removed as well as items for sale). Natural woodwork in the living area gives you the cozy cabin feel we all dream about. You just need to come and enjoy! 120'+ of very nice lakeshore. The tuck-under garage offers sufficient storage space for your water toys, sporting and fishing gear – and ample parking to the side! Private and convenient, yet close to golf, multiple area lakes, biking and snowmobile trails, Crow Wing County public land, a casino, eateries, shops, and healthcare! Only one hour and forty-five minutes from the Twin Cities. Great lake, great place, great location!
