Description:

Move-In Ready Home in the Heart of Crosby. Everything major has already been done. This 2-bedroom, 2-bath home was comprehensively updated in 2022 — new flooring throughout, updated electrical, newer appliances and mechanicals, plus a newer roof and siding. The result is a clean, contemporary home where the work is finished and the only thing left to do is move in. Inside, the layout lives comfortably with two bedrooms and two bathrooms, finished in a fresh, modern palette that carries through the home. Outside, a detached 2-stall garage offers room for vehicles, gear, and storage. The location is hard to beat. You're minutes from the Cuyuna Country State Recreation Area — home to some of the region's best mountain biking and clear-water lakes — with Downtown Crosby shops/dining and Cuyuna Regional Medical Center both close within walking distance.
