Escape to your own private lakeside retreat on 3.53 beautifully wooded acres with 200 feet of Spirit Lake shoreline. Gradual elevation and a driveway to the water make it easy to enjoy everything the lake has to offer, while expansive views create a stunning backdrop throughout the home. Designed for comfortable living and entertaining, this four-bedroom, 3.5-bath property features a spacious kitchen with a center island, a separate formal dining room and a welcoming foyer, both with hardwood-floors. The primary suite is a relaxing retreat with dual closets, lake views, and a private bath offering heated floor, a shower, and a jetted tub. Upstairs are two additional bedrooms and a full bath. The lower level adds even more living space with a family room anchored by a stone wood-burning fireplace, a recreation room, large bedroom, three-quarter bath, and utility/storage room. Outdoors, a lakeside gazebo, newer included dock, and storage shed add to the property's appeal.
