Affinity Real Estate - 600 Park Avenue South - Park Rapids MN 56470

Property Description:

Classic. Charming. Clean.

This spectacular stucco home offers 4 bedrooms, 2 offices, 3 bathrooms, and a 2-stall garage with incredible attic storage. The main level welcomes you with a spacious living and dining room featuring gorgeous hardwood floors and a gas fireplace. The galley-style kitchen offers stainless steel appliances and a tile backsplash that flows into the breakfast nook.

Two bedrooms with hardwood floors and a beautifully finished full bathroom with tile surround complete the main level. Upstairs, you'll find the 3rd and 4th bedrooms, an impressive full bathroom with a jetted tub and large tile shower, plus a cozy office. The lower level includes a family room, second office, an exceptionally large laundry room, and plenty of storage.

Outside, the beautifully landscaped grounds continue to impress with a patio, fenced backyard, sprinkler system, and storage shed. This is a property where the character has been preserved and the home has been cared for exceptionally well. Additional features include natural gas boiler heat, in-floor electric heat in the kitchen, breakfast nook, and upstairs bathroom, mini-split A/C, and vinyl windows.

And the location? Located just downtown to Detroit Lakes, putting restaurants, shopping, events, and Detroit Lake right there for you! They just don't make homes with this kind of character anymore, and finding one this beautifully cared for is even rarer.
